Food Safety Policy

Cedar Tree Hospitality is committed to comply with all regulatory requirements and to continually review and improve the objectives and the effectiveness of its Food Safety Management System as per ISO 22000:2018 requirements.

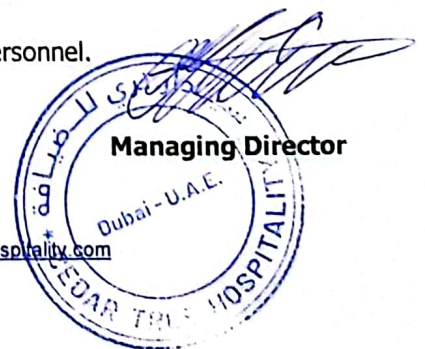

- The Management team has defined the safety policy which is appropriate to the purpose of the organization
- Cedar Tree Hospitality is committed to the implementation of food safety policies and the same is communicated down the line to all the personnel, through appropriate training sessions, memos and visual aids thereby ensuring that it is understood. Also can be communicated externally.
- Cedar Tree Hospitality Communicates the Food safety policy internally through emails, display and whatsapp and externally by emails.
- Once a year, regular review takes place to determine whether the safety policy and especially the objectives of Cedar Tree Hospitality are still appropriate.
- Cedar Tree Hospitality has taken all the precautions to accomplish "Safe Food Preparation and System" in strict compliance with "The ISO 22000:2018 Regulations" and the local regulations.
- Cedar Tree Hospitality is committed to produce food compliant to the safety standards of their clients.
- Cedar Tree Hospitality aims at the timely delivery of products, in the right quantities, at the right places using up to date equipment, trained and skilled food handlers.
- All the precautions are taken to avoid any type of contamination (microbiological, physical, allergenic and chemical).
- Continuous monitoring of personal hygiene and strict sanitary practices are followed to ensure food safety.
- High quality raw materials are used for all food preparation.
- Potable water is used for all preparation and cleaning activities.
- The design and construction of the food production areas prevents contamination.
- The food safety policy is supported by measurable objectives.
- The food safety policy has been communicated to all the personnel.
